

PARAGON'S MIKE HENRY TO MODERATE "TRIPLE A ANARCHISTS" PANEL AT THE TRIPLE A SUMMIT IN BOULDER

Session Date/Time: Thursday, August 11, 10 am

Session Title: "Triple A Anarchists"

Description: Triple A is the most adventuresome radio format around. It was founded by format anarchists who dared to try new things on radio. Today, which stations are the biggest anarchists in the field of Triple A radio stations? We think we've found a few suitable rebels, some old and some new, who continue to reinvent the format. Whether it's taking chances on new music and local music, daring to move beyond Classic Rock, airing creative programs or serving up compelling lifestyle and music promotions, the Program Directors on this panel will share their tactics for shaking up the status quo in their markets.

Panelists:

Norm Winer, WXRT/Chicago
Carmel Holt, WDST/Woodstock
Brad Savage, WCNR/Spokane
Rocco Bennett, WNWV/Cleveland
Haley Jones, KPRI/San Diego
Mark Keefe, WYMS/Milwaukee
